The Book of Daniel E.L. Doctorow 2010-11-10 The central figure of this novel is a young man whose parents were executed for conspiring to steal atomic secrets for Russia. His name is Daniel Isaacson, and as the story opens, his parents have been dead for many years. He has had a long time to adjust to their deaths. He has not adjusted. Out of the shambles of his childhood, he has constructed a new life—marriage to an adoring girl who gives him a son of his own, and a career in scholarship. It is a life that enrages him. In the silence of the library at Columbia University, where he is supposedly writing a Ph.D. dissertation, Daniel composes something quite different. It is a confession of his most intimate relationships—with his wife, his foster parents, and his kid sister Susan, whose own radicalism so reproaches him. It is a book of memories: riding a bus with his parents to the ill-fated Paul Robeson concert in Peekskill; watching the FBI take his father away; appearing with Susan at rallies protesting their parents' innocence; visiting his mother and father in the Death House. It is a book of investigation: transcribing Daniel's interviews with people who knew his parents, or who knew about them; and logging his strange researches and discoveries in the library stacks. It is a book of judgments of

everyone involved in the case—lawyers, police, informers, friends, and the Isaacson family itself. It is a book rich in characters, from elderly grand- mothers of immigrant culture, to covert radicals of the McCarthy era, to hippie marchers on the Pen-tagon. It is a book that spans the quarter-century of American life since World War II. It is a book about the nature of Left politics in this country—its sacrificial rites, its peculiar cruelties, its humility, its bitterness. It is a book about some of the beautiful and terrible feelings of childhood. It is about the nature of guilt and innocence, and about the relations of people to nations. It is The Book of Daniel.

Directory 1859 Hitchcock Francois Truffaut 2015-12-04 Iconic, groundbreaking interviews of Alfred Hitchcock by film critic François Truffaut—providing insight into the cinematic method, the history of film, and one of the greatest directors of all time. In Hitchcock, film critic François Truffaut presents fifty hours of interviews with Alfred Hitchcock about the whole of his vast directorial career, from his silent movies in Great Britain to his color films in Hollywood. The result is a portrait of one of the greatest directors the world has ever known, an all-round specialist who masterminded everything, from the screenplay and the photography to the editing and the soundtrack. Hitchcock discusses the inspiration behind his films and the art of creating fear and suspense, as well as giving strikingly honest assessments of his achievements and failures, his doubts and hopes. This peek into the brain of one of cinema's

greats is a must-read for all film aficionados.
