SOCIAL INNOVATIONS IN THE URBAN CONTEXT TACO BRANDSEN 2016-04-05 This book addresses the practice of social innovation, which is currently very much in the public eye. New ideas and approaches are needed to tackle the severe and wicked problems with which contemporary societies are struggling. Especially in times of economic crisis, social innovation is regarded as one of the crucial elements needed to move forward. Our knowledge of its dynamics has significantly progressed, thanks to an abundance of studies on social innovation both general and sector-specific. However, despite the valuable research conducted over the past years, the systematic analysis of social innovation is still contested and incomplete. The questions asked in the book will be the following: 1. What is the nature of social innovations? 2.What patterns can be identified in social innovations emerging at the local level? 3.How is the emergence and spread of social innovations related to urban governance? More precisely, which conditions and arrangements facilitate and hinders social innovation? We explore these questions using different types of data and methods, and studying different contexts. In particular, we focus on innovations that aim at solving problems of the young unemployed, single parents and migrants. This analysis is based on original research carried out in the period 2010-2013 in the framework of a European project with a specific empirical research strategy. Research was carried out in 20 cities in 10 different European countries.

Our Words Is Our Weapon Subcomandante Marcos 2011-01-04 In this landmark book, Seven Stories Press presents a powerful collection of literary, philosophical, and political writings of the masked Zapatista spokesperson, Subcomandante Insurgente Marcos. Introduced by Nobel Prize winner José Saramago, and illustrated with beautiful black and white photographs, *Our Word Is Our Weapon* crystallizes “the passion of a rebel, the poetry of a movement, and the literary genius of indigenous Mexico.” Marcos first captured world attention on January 1, 1994, when he and an indigenous guerrilla group calling themselves “Zapatistas” revolted against the Mexican government and seized key towns in Mexico’s southernmost state of Chiapas. In the six years that have passed since their uprising, Marcos has altered the course of Mexican politics and emerged an international symbol of grassroots movement-building, rebellion, and democracy. The prolific stream of poetic political writings, tales, and traditional myths that Marcos has penned since January 1, 1994 fill more than four volumes. *Our Word Is Our Weapon* presents the best of these writings, many of which have never been published before in English. Throughout this remarkable book we hear the uncompromising voice of indigenous communities living in resistance, expressing through manifestos and myths the universal human urge for dignity, democracy, and liberation. It is the voice of a people refusing to be forgotten: the voice of Mexico in transition, the voice of a people struggling for democracy by using their word as their only weapon.

Good Together C.J. Carmichael 2014-02-03 Some love stories have to begin with a falling-out-of-love story... Mattie Carrigan’s been helping her rodeo cowboy husband Wes Bishop run his family’s Tennessee Walking Horse operation since they were married nineteen years ago. Blessed with twin daughters who’ve recently left for college, Mattie is looking forward to this new stage in her and Wes’s life. But when she finds a strange key in her husband’s jacket, she’s forced to admit that Wes has been quiet and distant lately. Turns out he has been keeping secrets. And he’s not the only one. Even the rancher next door, Nat Diamond—a friend Mattie could always count on in the past—seems to be holding something back from her. Good Together is for anyone who has ever pondered what it means to be married. Or had to reinvent her life when one breaks down. It’s about having your heart broken but being strong enough to survive and love again.

Cowboy’s Proposal C.J. Carmichael 2020-09-08 She’s not willing to forgive. He’s unable to forget. One year ago, Montana cowboy Dylan McLean left the love of his life at the altar and fled town, thinking he was doing the right thing by saving her from a scandal. He’s found success on the rodeo circuit, but his love for Cathleen never faded. Now he’s returned home to clear his name, claim his bride and rebuild his legacy. Bed-and-breakfast owner Cathleen Shannon has moved on from her broken heart. That is, until Dylan shows up at her house one night asking for help and a second chance. Despite Dylan’s betrayal, she promises to assist with his investigation. She doesn’t want an innocent man to go to jail, but her heart is most definitely off limits. But Cathleen has forgotten one important fact: Dylan is relentless when he’s going after something he wants. He walked away once, but she won’t let that happen again.

A Bramble House Christmas C.J. Carmichael 2015-10-24 Finn Knightly a.k.a. Finn Conrad wants to know why his recently deceased father left his nurse fifty thousand dollars after knowing her a mere six weeks. So he travels to Bramble House B&B in Marietta, Montana to find answers. But Willa Knightly is not the conniving woman he expects to find. Before he knows it, Willa—and her six-year-old son Scout—are stealing his heart. And that’s before he finds out Scout’s secret and the real reason this Christmas is so important.

RISK CRITICISM MOLLY WALLACE 2016-05-10 Risk Criticism is a study of literary and cultural responses to global environmental risk in an age of unfolding ecological catastrophe. In 2015, the Bulletin in the Atomic Scientists reset its iconic Doomsday Clock to three minutes to midnight, as close to the apocalypse as it has been since 1953. What pushed its hands was not just the threat of nuclear weapons, but also other global environmental risks that the Bulletin judged to have risen to the scale of the nuclear, including climate change and innovations in the life sciences. If we may once have believed that the end of days would come in a blaze of nuclear firestorm, we now suspect that the apocalyptic may be much slower, creeping in as chemical toxins, climate change, or nano-technologies run amok. Taking inspiration from the questions raised by the Bulletin’s synecdochical “nuclear,” Risk Criticism aims to generate a hybrid form of critical practice that brings “nuclear criticism” into conversation with ecocriticism. Through readings of novels, films, theater, poetry, visual art, websites, news reports, and essays, Risk Criticism tracks the diverse ways in which environmental risks are understood and represented today.

Promise Me, Cowboy C.J. Carmichael 2013-10-09 Sage Carrigan never meant to be the other woman. Unfortunately, bronco rider Dawson O’Dell neglected to mention he was married the night he invited her to his bed after they’d both placed first in their rodeo events. When his wife walked in on them - Sage was deeply hurt and humiliated. After an accident in the ring the next day, Sage decides she’s quitting the rodeo—and cowboys--to become a chocolatier in her hometown ranching community, Marietta, Montana.

She’s just one of the boys, but with a new business in town—Ridge, Anna Brown needs to change that. Her brothers bet she can’t land a date for a fancy charity event. So Anna turns to her best friend—the hottest bachelor in town—for advice. Rancher Chase McCormack wants in on that gala. If Anna takes him, he promises to turn her into a lady. But the makeover reveals what he’s long suspected—Anna’s irresistible! Is his best friend prepared to be taken—heart, body and soul—by her very own cowboy?

Glimpses of America James W. Buel 101-01-01 It has been my good fortune to make many trips across the continent over the various railway lines; and business and pleasure have taken me during the past several years to nearly all the accessible parts of the country, reached by rail, boat or stage-coach. Always an admirer of nature, I have longed for the means to sketch or photograph the imposing scenery which caught my enraptured eye as I hurried by. This ambition prompted the really stupendous undertaking whose fruitage is now offered to the public in all its delicious flavor, in the form of a book as herewith submitted. How the photographic views herein reproduced were obtained may be thus briefly told, and is well worthy the relation. This book was conceived more than half a dozen years ago, but a press of other engagements caused a postponement 12of any effort at its preparation until the spring of 1890, when the publishers engaged a corps of artists, consisting of three of the best out-door photographers in the country. A passenger car was next chartered, which was remodeled so as to provide comfortable sleeping quarters for the men in one end, a kitchen in the other, while the center was fitted up as an operating-room for taking, developing and finishing pictures. Three cameras, of as many sizes, were also provided, with three thousand prepared plates, and a great quantity of paraphernalia which might be found useful for the expedition.

C.J. Carmichael 2014-10-27 For years Callan Carrigan has been her father’s right hand man, so when her dad’s will names City Slicker Court McAllister the new owner of The Circle C Ranch, Callan feels betrayed on every level. Then she and her sisters find their mother’s diaries, hidden from them by their father since their mother’s accidental death 18 years ago, and the shocking revelations explain a lot. Feeling, Callan seeks refuge in the local saloon, where it seems no one can reach her, until Court offers her a challenge. If she agrees to be foreman at the Circle C for one year, he’ll deed the ranch back to her and her sisters. The deal seems too sweet at first—until Callan realizes Court has his eyes on something she protects even more than her family’s land—her heart.

SHOWBOOTS IN MONTANA ~~GEORGE HAZLET~~ 2014-11-23 When Eliza Bramble signs up for the Christmas Mountain Ski Package with Marshal McKenzie, owner of Grizzly Adventures in Marietta Montana, she’s looking to escape. Her Bramble B&B Christmas blog has just gone viral attracting the attention of a two-timing man who hurt her very badly. Getting out of town for Christmas is her only way to find peace. Instead she finds herself trapped on a vacation with a bickering couple and their two spoiled children, as well as a young married couple who barely speak to one another. The tension is almost unbearable—and then a blizzard hits, stranding them all in a remote ski lodge for the holidays. Christmas is looking like a write-off, until Marshall suggests they make the best of what they have, and work together. Eliza is surprised to find that the avid outdoorsman has a special touch with people...and with her in particular. Soon she realizes Marshall isn’t just fixing Christmas—but her broken heart, too.

C.J. Carmichael 2013-04-02 Going Home Shouldn’t Be This Hard... Cassidy Lambert traded in Montana’s big sky country for the big-city lights—forever. Until a potentially devastating equine illness threatens her family’s ranch, and Cassidy is needed at home to help. She knows she knows what she wants from life, but the more she’s around sexy veterinarian Dan Farley, the more confused she gets. When Cassidy goes back to the open Western landscape Dan loves, she’s nothing but a beautiful burr under his saddle. She stomped on his heart once before, and he’s not eager for another go-around. But he just can’t keep himself away from those green eyes and sweet curves. It’s a good thing she’ll soon be gone again, because he can’t trust her—or himself—when she’s around!

Julie Sondra Decker 2015-10-13 Lambda Literary Award 2014 Finalist in LGBT Nonfiction Foreword Reviews’ IndieFab Book of the Year Award 2014 Finalist in Family & Relationships Independent Publisher Book Awards 2015 (IPPY) Silver Medal in Sexuality/Relationships Next Generation Indie Book Awards 2015 Winner in LGBT -- What if you weren’t sexually attracted to anyone? A growing number of people are identifying as asexual. They aren’t sexually attracted to anyone, and they consider it a sexual orientation—like gay, straight, or bisexual. Asexuality is the invisible orientation. Most people believe that “everyone” wants sex, that “everyone” understands what it means to be attracted to other people, and that “everyone” wants to date and mate. But that’s where asexual people are left out—they don’t find other people sexually attractive, and if and when they say so, they are very rarely treated as though that’s okay. When an asexual person comes out, alarming reactions regularly follow; loved ones fear that an asexual person is sick, or psychologically warped, or suffering from abuse. Critics confront asexual people with accusations of following a bad, hiding homosexuality, or making excuses for romantic failures. And all of this contributes to a discouraging master narrative: there is no such thing as “asexual.” Being an asexual person is a lie or an illness, and it needs to be fixed. In the Invisible Orientation, Julie Sondra Decker outlines what asexuality is, counters misconceptions, provides resources, and puts asexual people’s experiences in context as they move through a very sexualized world. It includes information for asexual people to help understand their orientation and what it means for their relationships, as well as tips and facts for those who want to understand their asexual friends and loved ones.

Close to Her Heart C.J. Carmichael 2014-09-23 Dan Carrigan has always relied on logic when making important life decisions, but when she discovers she’s pregnant - and that there’s a chance her baby may be born “not perfect”-- logic lets her down. It would help if the baby’s father would pop the question, but widowed father Adrian seems more interested in protecting his six-year-old daughter than committing to his new relationship with Dani. The last time she felt this alone and scared was when she was 16 and her mother died, leaving Dani to raise her younger sisters with precious little help from her distant and disapproving rancher father. She felt so inadequate then, but is she any more prepared to be a mother now? Support comes from an unlikely source. Dan always saw her next-door neighbour and friend, divorce attorney Elliot Gilmore, as a charming, handsome, playboy-type. But with each challenge she faces, from pregnancy, to delivery and beyond--Elliot reveals himself a better man than she ever guessed. Is it possible that Elliot hasn’t been playing the field—but waiting for her?

David Olsen 2008-12-17 Do you know what “quatrefoil” and “impolitic” mean? What about “shalcon” or “narcolepsy”? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don’t (dour, incendiary, scantilla); Words Most People Don’t Know (schlimazel, thaumaturgy, eperge); Words You Should Know To Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn’t Know (friptic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.

Letters From Grace C.J. Carmichael 2001-09-23 Finding old love letters in her father’s closet inspired a teen to play matchmaker. Jessica Shanahan is off to college next year, but she’s worried about leaving her father, Levi Shanahan, alone. He’s been a single dad since his wife died when Jessica was only a toddler. He reassures her that he’s too busy running his family’s general store, taking care of his aging parents and volunteering in the community to be lonely. But Jessica has her doubts—especially when she finds old love letters from his high school sweetheart. Travel photographer Grace Hamilton is promoting her latest book when a student from her hometown reaches out about a research project. Curious, Grace meets with her and when the teen invites her to the Woodland Follage Arts Festival, Grace accepts. Though her career’s been successful and fulfilling, she’s never met a man who touched her heart the way Levi Shanahan once did. Maybe a trip home will finally help her to move on and find the one thing that’s eluded her throughout her years of travel—love.

BITTER SWEET C.J. Carmichael 2019-11-12 Murder in a small town is always personal. Local longtime librarian, Sybil Tombe, is missing, abducted from her home on the outskirts of the isolated ranching town of Lost Trail, Montana. An elderly neighbor reports seeing a gray-haired, bearded man driving up to Sybil’s house the night she disappeared. Newly-minted Sheriff Zak Waller can’t think of a less likely target for a crime. When an older man is reported lurking around a young girl at the local grade school, Zak wonders if this man could also be Sybil’s abductor? The descriptions of the men are similar—but what could be the possible link between a young girl and 60-year-old Sybil? Peeling back the layers of Sybil’s life, Zak discovers Sybil is a master at keeping secrets, especially her own, and these secrets may now be threatening her life as well as the life of an innocent child. As Zak and his team work to uncover the truth, he also has to deal with issues in his romantic relationship with deputy Nadine Black, and mete justice to a respected town citizen who has been sheltering his criminal past for too long.

Samantha’s Cowboy Marin Thomas 2009-08-01 There should be millions in Samantha Cartwright’s trust fund...but it’s empty. Luckily for Wade Dawson, her financial adviser, Samantha doesn’t know that yet. So Wade’s buying time to solve the mystery of the missing money by playing cowboy on her ranch. But he’s in way over his head! Wade is so different from the man Samantha is used to. He wears a tie to work instead of dusty jeans and a Stetson. And while she’s intrigued by him, she’s frustrated by the delay. After all, starting her new horse ranch will finally prove to her overprotective father that she’s capable of running her own life. But Samantha’s memory lapses from an old injury once brought harm to a child she loved, and she cannot risk being a danger to Wade or his young son. Even if the businessman does look irresistible in a cowboy hat...

C.J. Carmichael 2018-02-15 BITTER TRUTH (Book 2 of BITTER ROOT MYSTERIES) Murder in a small town is always personal. In the isolated ranching community of Lost Trails, Montana, Lacy Stillman, a rich elderly rancher has died of a heart attack in her own bed. What could be more normal than that? As Zak Waller, dispatcher with the local Sheriff’s Office, joins the town in mourning the loss of the community matriarch, some disquieting information makes Zak wonder if Lacy’s death was not what it seemed. Meanwhile, Zak’s friend Tiff Masterson is overwhelmed by her mother’s escalating mental breakdown and her aunt’s stubborn denial of the problem. Tiff assumes the root of the problem is the death of her brother and father sixteen years ago. But the real atrocity goes back much further than that. When the truth is revealed in a shocking twist, Tiff’s world is turned completely upside down. The ramifications affect many of the most prominent citizens and provide the missing clue to Lacy Stillman’s murder. Perfect for fans of the British television film Broadchurch.

More Than Somewhat Damon Runyon 2013-04-16 I have made this selection of Damon Runyon’s stories with the idea of showing as many aspects as possible of his narrative genius, ranging as they do from the most uproarious farce to such sadness as goes to the depths of the heart. The note of pathos is not often touched, it is true: when it is, it gains force from the contrast with its setting of quaint, unemotional, unconscious cynicism. If, after reading *The Lily of St. Pierre* in this book you do not agree with that judgment, then—as Runyon’s narrator would say—you must be such a guy as will never be moved by anything short of an earthquake.

Sixty Years of California Song Margaret Blake- Alverson 1913

James B. Glattfelder 2019-04-10 This open access book chronicles the rise of a new scientific paradigm offering novel insights into the age-old enigmas of existence. Over 300 years ago, the human mind discovered the machine code of reality: mathematics. By utilizing abstract thought systems, humans began to decode the workings of the cosmos. From this understanding, the current scientific paradigm emerged, ultimately discovering the gift of technology. Today, however, our island of knowledge is surrounded by ever longer shores of ignorance. Science appears to have hit a dead end when confronted with the nature of reality and consciousness. In this fascinating and accessible volume, James Glattfelder explores a radical paradigm shift uncovering the ontology of reality. It is found to be information-theoretic and participatory, yielding a computational and programmable universe.

CARRIGAN CHRISTMAS RELIUN C. J. Carmichael 2018-12-13 Wren’s most perfect Christmas ever is turning into a nightmare. The Carrigan family is in chaos with various medical issues, no one has put up the tree or done any Christmas baking. The only bright spot is Harris Quinby, a ranch hand at the Circle C, who manages to be there for Wren every time her family lets her down. Harris Quinby has never forgotten the summer Wren spent on her grandfather’s ranch when she was fourteen and he was sixteen. She’d changed his life that month, and now he finally has the chance to thank her...but what if he falls in love with her instead? Spend Christmas with the Carrigan family at the Circle C Ranch in Montana

The Tycoon’s Kiss Jane Porter 2014-04-09 From USA Today bestselling author Jane Porter comes an opposites-attract Valentine’s Day tale complete with a small-town ball. If anyone can make her feel like the belle of the ball, it’s him Taylor Harris – Marietta, Montana’s new librarian–is the quiet type who likes her glamour between the pages, but not in her own life. When she’s pushed into attending the formal Valentine Ball with Marietta’s Most Eligible Bachelor, Troy Sheenan, Taylor can’t imagine a worse pairing. What in the world would she have in common with a wealthy playboy like Troy? Technology tycoon Troy is forced by business concerns to return to his hometown and take the town librarian to the Valentine Ball... what he doesn’t expect is that Taylor is even less excited about the prospect than he is! Intrigued by the only woman in town who wouldn’t be thrilled to take his arm at the big event, he’s determined that she will not just agree to be his date... but she’s going to like it. Can Taylor turn a cold shoulder to Troy’s heart-melting charms, or is this about to be Marietta’s hottest Valentine’s Ball yet?

A Cowgirl’s Christmas
