Between the Lines Nikki Grimes 2018-02-13 This thought-provoking companion to Nikki Grimes' Coretta Scott King Award-winning Bronx Masquerade shows the capacity poetry has to express ideas and feelings, and connect us with ourselves and others. Darrian dreams of writing for the New York Times. To hone his skills and learn more about the power of words, he enrolls in Mr. Ward's class, known for its open-mic poetry readings and boys vs. girls poetry slam. Everyone in class has something important to say, and in sharing their poetry, they learn that they all face challenges and have a story to tell—whether it's about health problems, aging out of foster care, being bullied for religious beliefs, or having to take on too much responsibility because of an addicted parent. As Darrian and his classmates get to know one another through poetry, they bond over the shared experiences and truth that emerge from their writing, despite their private struggles and outward differences.

Juan Verdades Joe Hayes 2014-01-01 "Hayes's flowing plot, enlivened by several wry twists, is decidedly satisfying. Fiedler's spare, earth-toned paintings convey the particulars of the setting from traditional garb to the sprawling landscapes as well as the timelessness of folklore."—Publishers Weekly Don Ignacio is a wealthy landowner whose prized possession is an apple tree that produces the most delicious fruit around. He trusts only one man to care for this tree—his ranch foreman Juan Verdades. Don Ignacio is also a proud man and he lets his pride carry him into a dangerous bet! He bets a neighboring rancher his ranch that Juan Verdades cannot tell a lie. His opponent is determined to win the bet, using guile and the help of his beautiful daughter to trick Juan Verdades into stealing all of the fruit from the prized apple tree. Will Juan Verdades be able to tell the truth about what he has done? The ranch depends on it. Originally published in 2001, this paperback edition of Joe Hayes' classic story features the bilingual style common to his most popular books. Joe's bilingual Spanish-English tellings and books have earned him a distinctive place among America's storytellers. He lives in Santa Fe and travels extensively throughout the United States telling his stories. Joseph Daniel Fiedler was born and raised in the Appalachian hill country of western Pennsylvania. He attended the Ivy School of Professional Art and Carnegie Mellon University. He is the recipient of a silver medal from the Society of Illustrators for book illustration.

When his father sets out on a cattle drive toward Kansas for the summer, fourteen-year-old Travis Coates is left to take care of his family and their farm. Living in Texas Hill Country during the 1860s, Travis comes to face new, unanticipated, and often perilous responsibilities in the frontier wilderness. A particular nuisance is a stray yellow dog that shows up one day and steals food from the family. But the big canine who Travis calls "Old Yeller" proves his worth by defending the family from danger. And Travis ultimately finds help and comfort in the courage and unwavering love of the dog who comes to be his very best friend. Fred Gipson's novel is an eloquently simple story that is both exciting and deeply moving. It stands alongside works like *The Adventures of Huckleberry Finn*, *Where the Red Fern Grows*, and *Shiloh* as a beloved and enduring classic of literature. Originally published in 1956 to instant acclaim, *Old Yeller* later inspired a hit film from Walt Disney. Just as *Old Yeller* inevitably makes his way into the Coates family's hearts, this book will find its own special place in readers' hearts.
