I Kissed a Girl Jennet Alexander 2021-08-03 Can an up-and-coming horror actress and the makeup artist for her newest "creature feature" turn on-set chemistry into the romance of a lifetime? Lilah Silver's a young actress who dreams of climbing out of B-list stardom. She's been cast as the lead in what could be her breakout performance...but if she wants to prove herself to everyone who ever doubted her, she's going to need major help along the way. Noa Birnbaum may be a brilliant makeup artist and special effects whiz-kid, but cracking into the union is more difficult than she imagined. Keeping everyone happy is a full-time job, and she's already run ragged. And yet when the beautiful star she's been secretly crushing on admits to fears of her own, Noa vows to do everything in her power to help Lilah shine like never before. Long hours? Exhausting work? No problem. Together they can take the world by storm...but can the connection forged over long hours in the makeup chair ever hope to survive the glare of the spotlight?

The Complete Make-up Artist Penny Delamar 1995 This is a guide to media make-up that meets the syllabus requirements of the NVO/SVQ in Media Make-up. The Complete Make-up Artist Penny Delamar 2003 Provides information and advice on professional make-up techniques for use in film, television, fashion, and the theater.

Stage Make-up Herman Buchman 1971

The Collaborative Habit Twyla Tharp 2009-11-24 In a career that has spanned four decades, choreographer Twyla Tharp has collaborated with great musicians, designers, thousands of dancers, and almost a hundred companies. She's experienced the thrill of shared achievement and has seen what happens when group efforts fizzle. Her professional life has been -- and continues to be -- one collaboration after another. In this practical sequel to her national bestseller *The Creative Habit*, Tharp explains why collaboration is important to her -- and can be for you. She shows how to recognize good candidates for partnership and how to build one successfully, and analyzes dysfunctional collaborations. And although this isn't a book that promises to help you deepen your romantic life, she suggests that the lessons you learn by working together professionally can help you in your personal relationships. These lessons about planning, listening, organizing, troubleshooting, and using your talents and those of your coworkers to the fullest are not limited to the arts; they are the building blocks of working with others, like if you're stuck in a 9-to-5 job and have an unhelpful boss. Tharp sees collaboration as a daily practice, and her book is rich in examples from her career. Starting as a twelve-year-old teaching dance to her brothers in a small town in California and moving through her work as a fledgling choreographer in New York, she learns lessons that have enriched her collaborations with Billy Joel, Jerome Robbins, Mikhail Baryshnikov, Bob Dylan, Elvis Costello, David Byrne, Richard Avedon, Milos Forman, Norma Kamali, and Frank Sinatra. Among the surprising and inspiring points Tharp makes in *The Collaborative Habit*: -Nothing forces change more dramatically than a new partnership. -In a good collaboration, differences between partners mean that one plus one will always equal more than two. A good collaborator is easier to find than a good friend. If you've got a true friendship, you want to protect that. To work together is to risk it. -Everyone who uses e-mail is a virtual collaborator. -Getting involved with your collaborator's problems may distract you from your own, but it usually leads to disaster. -When you have history, you have ghosts. If you're returning to an old collaboration, begin at the beginning. No evocation of old problems and old solutions. -Tharp's conclusion: What we can learn about working creatively and in harmony can transform our lives, and our world.

Towards a Poor Theatre Jerzy Grotowski 2012-11-12 Originally published in 1968, Jerzy Grotowski's groundbreaking book is available once again. As a record of Grotowski's theatrical experiments, this book is an invaluable resource to students and theater practitioners alike.

The Art of Theatrical Design Kaomie Malloy 2014-08-07 The Art of Theatrical Design: Elements of Visual Composition, Methods, and Practice addresses the core principles that develop the student designer into a true artist, providing a foundation that ensures success with each production design. This text concentrates on the skills necessary to create effective, evocative, and engaging theatrical designs that support the play contextually, thematically, and visually. It gives students the grounding in core design principles they need to approach design challenges and make design decisions in both assigned class projects and realized productions. This book features: In-depth discussions of design elements and principles for costume, set, lighting, sound, and projection designs Coverage of key concepts such as content, context, genre, style, play structure and format, and the demands and limitations of various theatrical spaces Essential principles, including collaboration, inspiration, conceptualization, script analysis, conducting effective research, building a visual library, developing an individual design process, and the role of the critique in collaboration Information on recent digital drawing tool technology, such as the Wacom® Inkling pen, Wacom® Intuos digitizing tablets and digital sketching, and rendering programs such as Autodesk® Sketchbook Pro and Adobe® Photoshop® Chapter exercises and key terms designed to provide an engaging experience with the material and to facilitate student understanding

Stage Makeup Richard Corson 2015-09-07 Widely referred to as the "bible of stage makeup," the timely revision of this classic text addresses principles and techniques in the use of makeup for the contemporary performer. This extensive exploration of the application and use of stage makeup and makeup for a variety of performance venues covers all aspects in detail and contains over 400 photographs, drawings, and diagrams demonstrating step-by-step procedures. Thoroughly updated and revised, this classic text remains accurate and comprehensive, providing information from which all readers – whether students to the field or seasoned, professional makeup artists – will benefit. New to this edition: Updated photography throughout. Features the latest information on products and techniques throughout. New additions to chapters concerning hairpieces and wigs: making a pattern for a beard and mustache, making a pattern for a wig, fronting a wig, or sending accurate information for rentals, and the basic roller set for wigs. The source Appendix has been totally updated with new vendors and the latest website addresses. The materials Appendix has had the most current products added. There are new, blank makeup charts for class work and designing makeups. There is a color guide for a two-part silicone life cast. The new color section featuring Academy Award nominee, Christien Tinsley, steps for the Tinsley Transfers for cuts, bruises and prosthetics. (As seen in the movie *The Passion Of The Christ*.) A selection of makeup in color with complete instructions. Color photos of Academy Award winner, Matthew Mungle, special effects makeup for the CSI television show. Instructions for a new "creating a likeness" of Queen Elizabeth I. The Film and Television chapter now includes information about working with the latest HD digital technology. The color section now includes a series of photos illustrating the effects of gel colors on natural makeup.

The Perfect Stage Crew John Kaluta 2016-06-21 Here is a must-have book for anyone producing a stage show without a Broadway-sized budget. Written by a technical theater veteran, *The Perfect Stage Crew* explains the pitfalls to avoid and provides solutions to the most common--and the most complex--stage performance problems, even for theaters with a lack of resources. An invaluable guide for middle and high school theaters, college theaters, and community theaters, *The Perfect Stage Crew* teaches readers how to: Stock, organize, and store the essential backstage supplies Conceptualize, design, and build sets Manage a stage crew effectively Paint scenery and backdrops Test, design, and hang lighting Operate and repair sound equipment Set cues Promote your show This expanded second edition covers up-to-date technology, including for use with recording, sound, and lighting. Chapters also cover such crucial topics as running technical rehearsals, gathering props, and creating and selling tickets. Theater groups that need to learn the nuts and bolts of putting a show together will discover how to turn backstage workers into *The Perfect Stage Crew*. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Special Makeup Effects for Stage and Screen Todd Debrezeni 2013 In the world of film and theatre, character transformation takes a lot of work, skill, and creativity. Dedicated solely to SFX, this book will show you tips and techniques from a seasoned SFX makeup artist with years of film, TV, and theatrical experience. Not only will this book take you through the many genres that need a special effects makeup artist, like horror, fantasy, and sci-fi, but it will also tell you about the tools you will need, how to maintain your toolkit, how to take care of the actor's skin, and how to airbrush properly when HD is involved. The author shows you how to sculpt and mold your own makeup prosthetics, focusing on how human anatomy relates to sculpture to create the most realistic effects. Case studies feature some of today's top makeup artists including Neill Gorton, Christopher Tucker, Miles Teves, Jordu Schell, Mark Alfrey, Matthew Mungle, Christien Tinsely, Vittorio Sodano, and Mark Gabarino. Put your new techniques into practice right away and see how some of the looks from the book were achieved with the step-by-step tutorials on the must-have

DVD. * Written by a seasoned special effects make-up artist who has worked in both film and theatre * Gives you exclusive tips and techniques from some of the industry's most gifted artists * DVD tutorials show you step-by-step how to create the techniques from the book; also includes recipes to create makeup prosthetics, a list of suppliers, conversion charts, and bibliography

Theatrical Makeup Sharon Sobel 2015-12-22 In many theatrical productions, it falls to the performers to apply their own makeup, with minimal or no instruction. Theatrical Makeup clearly and concisely explains the basics of theatrical makeup techniques to allow stage actors to put their best face forward! You will gain understanding of the physiology of the human face and, using cream based makeup, as well as commercial cosmetics, learn how to contour it to suit your character with the use of highlight and shadow. Hundreds of full color images and step-by-step instructions illustrate how to visually manipulate bone structure and apparent age, apply simple facial hair and wounds, and create glamorous and natural stage makeup. Also covered are the tools you will need to apply your own makeup, along with critical health and hygiene tips.

Impro Keith Johnstone 2012-11-12 Keith Johnstone's involvement with the theatre began when George Devine and Tony Richardson, artistic directors of the Royal Court Theatre, commissioned a play from him. This was in 1956. A few years later he was himself Associate Artistic Director, working as a play-reader and director, in particular helping to run the Writers' Group. The improvisatory techniques and exercises evolved there to foster spontaneity and narrative skills were developed further in the actors' studio then in demonstrations to schools and colleges and ultimately in the founding of a company of performers, called The Theatre Machine. Divided into four sections, 'Status', 'Spontaneity', 'Narrative Skills', and 'Masks and Trance', arranged more or less in the order a group might approach them, the book sets out the specific techniques and exercises which Johnstone has himself found most useful and most stimulating. The result is both an ideas book and a fascinating exploration of the nature of spontaneous creativity.

Shakespearean Stage Production Cécile de Banke 2014-08-13 An absorbing and original addition to Shakespeareana, this handbook of production is for all lovers of Shakespeare whether producer, player, scholar or spectator. In four sections, Staging, Actors and Acting, Costume, Music and Dance, it traces Shakespearean production from Elizabethan times to the 1950s when the book was originally published. This book suggests that Shakespeare should be performed today on the type of stage for which his plays were written. It analyses the development of the Elizabethan stage, from crude inn-yard performances to the building and use of the famous Globe. Since the Globe saw the enactment of some of the Bard's greatest dramas, its construction, properties, stage devices, and sound effects are reviewed in detail with suggestions on how a producer can create the same effects on a modern or reconstructed Elizabethan stage. Shakespeare's plays were written to fit particular groups of actors. The book gives descriptions of the men who formed the acting companies of Elizabethan London and of the actors of Shakespeare's own company, giving insights into the training and acting that Shakespeare advocated. With full descriptions and pages of reproductions, the costume section shows the types of dress necessary for each play, along with accessories and trimmings. A table of Elizabethan fabrics and colours is included. The final section explores the little-known and interesting story of the integral part of music and dance in Shakespeare's works. Scene by scene the section discusses appropriate music or song for each play and supplies substitute ideas for Elizabethan instruments. Various dances are described – among them the pavan, galliard, canary and courante. This book is an invaluable wealth of research, with extensive bibliographies and extra information.

Acting in Film Michael Caine 2000-02-01 (Applause Books). A master actor who's appeared in an enormous number of films, starring with everyone from Nicholson to Kermit the Frog, Michael Caine is uniquely qualified to provide his view of making movies. This revised and expanded edition features great photos, with chapters on: Preparation, In Front of the Camera Before You Shoot, The Take, Characters, Directors, On Being a Star, and much more. "Remarkable material ... A treasure ... I'm not going to be looking at performances quite the same way ... FASCINATING!" Gene Siskel *Working Backstage* Christin Essin 2021-09-20 Working Backstage illuminates the work of New York City's theater technicians, shining a light on the essential contributions of unionized stagehands, carpenters, electricians, sound engineers, properties artisans, wardrobe crews, makeup artists, and child guardians. Too-often dismissed or misunderstood as mere functionaries, these technicians are deeply engaged in creative problem-solving and perform collaborative, intricate choreographed work that parallels the performances of actors, singers, and dancers onstage. Although their contributions have fueled the Broadway machine, their contributions have been left out of most theater histories. Theater historian Christin Essin offers clear and evocative descriptions of this invaluable labor, based on her archival research and interviews with more than 100 backstage technicians, members of the New York Locals of the International Alliance of Theatrical Stage Employees. A former theater technician herself, Essin provides readers with an insider's view of the Broadway stage, from the suspended lighting bridge of electricians operating followspots for A Chorus Line; the automation deck where carpenters move the massive scenic towers for *Newswies*; the makeup process in the dressing room for *The Lion King*; the offstage wings of *Matilda the Musical*, where guardians guide child actors to entrances and exits. Working Backstage makes an significant contribution to theater studies and also to labor studies, exploring the politics of the unions that serve backstage professionals, protecting their rights and insuring safe working conditions. Illuminating the history of this typically hidden workforce, the book provides uncommon insights into the business of Broadway and its backstage working relationships among cast and crew members!

Long-Form Improv Ben Hauck 2012-09 A handbook of essentialcomedy skills, useful for all performers!
Stage Makeup Laura Thudium 1999 "Whether you are an actor in a summer-stock or regional theater, an acting conservatory program, a high-school or college production, a community theater, a local holiday pageant...or anywhere else, this is the best all-purpose "how-to" guide to makeup for the theater." "Besides period makeup, age makeup, and special-effects applications, the book delves into fantasy makeup, animal faces, and other kinds of stylization found on the contemporary stageand with the use of the most up-to-date materials." "Explaining all the basic techniques the actor needs, the author offers tips on putting together a personal makeup kit, analyzing one's own facial features, creating a picture file, caring for one's skin, and using a color-mixing chart." "Here, then, is the most complete makeup resource - for students, for amateur groups, for everyone performing on today's stage, and at any level." --Book Jacket.

Period Make-up for Studio, Stage & Screen Kit Spencer 2008 "This book will give you step-by-step instructions, tricks and tips for recreating authentic looks using contemporary products and techniques. Whether you need to create the make-up for a film, stage production, fashion shoot or just for a night out, this book will become your essential companion." --Book Jacket.

Stage & Screen Makeup Kit Hall 2009 "Shows you how to use contemporary products and techniques to achieve a wide range of classic looks." -- back cover.

Foundations of Stage Makeup Daniel C Townsend 2019-05-31 Foundations of Stage Makeup is a comprehensive exploration into the creative world of stage makeup. Step-by-step makeup applications paired with textual content create an enriching experience for future performers and makeup artists. Students will learn relevant history, color theory, makeup sanitation processes, and the use of light and shadow to engage in discussions about the aspects of professional makeup. Those foundations are then paired with a semester's-worth of descriptive, engaging makeup applications. Old age makeup, blocking out eyebrows, gray burns, and creating fantastical creatures are just a few of the rewarding techniques found in Foundations of Stage Makeup. The book is complemented by an eResource page featuring makeup tutorials and an instructor's manual with example assignments and tips to teaching each chapter.

A Complete Guide to Special Effects Makeup Yuko Sasaki 2008 Using a step-by-process, a guide to creating special effects through make-up covers everything from basic techniques to masks and full-scale prosthetics.

Theatrical Worlds Charlie Mitchell 2014-05 "From the University of Florida College of Fine Arts, Charlie Mitchell and distinguished colleagues form across America present an introductory text for theatre and theoretical production. This book seeks to give insight into the people and processes that create theater. It does not strip away the feeling of magic but to add wonder for the artistry that make a production work well." -- Open Textbook Library.

The Art of Knife Fighting for Stage and Screen Erick Vaughn Wolfe 2022-02-08 The Art of Knife Fighting for Stage and Screen: An Actor's and Director's Guide to Staged Violence provides detailed information for the safe use of knives and daggers in a theatrical setting and an in-depth understanding of safe theatrical weapons. The book starts with an extensive safety review, then moves on to the basic techniques of dagger fighting, starting with grip and body postures. Readers will then learn about the basic actions of cuts, parries, blocks, and disarms. During this process, they will explore the connection between body and weapon and start learning the elements of storytelling through choreography. Special attention is given to suicides, threats, and murder and how directors, choreographers, performers, teachers, and students can approach these techniques in a way that is physically and mentally safe. The book also covers the use of throwing knives, knife flips, and other tricks to help add a little flair to your fight. *The Art of Knife Fighting for Stage and Screen* teaches the safe theatrical use of the knife for directors, performers, educators, and students of stage combat.

A Beginner's Guide to Special Makeup Effects Christopher Payne 2021-03-24 A Beginner's Guide to Special Makeup Effects: Monsters, Maniacs and More is an introduction to special effects makeup using cost-effective tools and materials that

can be found in local stores. The book is divided into three sections – Simple Makeup, Advanced Materials and Techniques and Advanced Makeup – and features tutorials to create characters such as a pirate, vampire, ghost, robot, burn victim, witch, zombie and goblin. Each character is introduced with a full-page photograph of the finished makeup and illustrated with full-color, step-by-step photographs. The book also includes instructions on how to make fake

teeth, apply bald caps, create gory wounds and injuries and make simple prosthetics. Each makeup tutorial is designed to progressively build on the techniques outlined in the preceding tutorial, guiding readers from the basics of foundation, highlight and shadow to creating advanced creature makeups. This is a beginner makeup book suited for students of Stage Makeup courses, as well as for the theatre technician working and training on their own.
