The Antique Story Book Arthur Schwerdt 2007-05 The most fun you'll ever have learning about antiques, from the man the Philadelphia Daily News has called "the godfather of Cape May County antiquing," can be found in *The Antique Story Book: Finding the Real Value of Old Things*. From his columns, lectures, and classes on antiques, author Arthur Schwerdt, a certified appraiser and dealer for nearly a quarter of a century, shares some of his favorite stories—the ones that make antiques so fascinating to so many people. In "Love and Sex-Victorian Style," Schwerdt tells how he learns about intimacy in that era and wonders what future antique hunters will learn about our sexuality. "The Mysterious Creator(s) of Nancy Drew" discusses the identity of the man who conceptualized Nancy Drew

and her character's influence on future literature. Most importantly, Schwerdt divulges the most enjoyable, valuable, and meaningful aspect of antiquing—the stories behind each treasure. Long ago, every item in today's antique shops existed as a product of its time. *The Antique Story Book* makes these items come alive again, making astute antique-lovers of us all.

A-3 Skywarrior Units of the Vietnam War

Rick Morgan 2015-03-20 The Douglas A-3 Skywarrior, though something of a cult favourite, remains a largely unremarked classic of Naval Aviation. Built for nuclear weapon delivery, the A-3 made its name in Vietnam as a conventional bomber, tanker and Electronic Warfare platform. It was the largest aircraft ever regularly operated from the decks of aircraft carriers, earning it the fleet-wide nickname 'Whale'. It excelled in every mission area assigned to it and operated in the US Navy for more than four decades, from 1956 through to 1991. Alone Cyn Balog 2017-11-07 This must-read for lovers of Stephen King's *The Shining* will leave readers breathless as Seda and her family find themselves at the mercy of a murderer in an isolated and snowbound hotel.

Get ready for what Kirkus calls "A bloody, wonderfully creepy scare ride." When her mom inherits an old, crumbling mansion, Seda's almost excited to spend the summer there. The grounds are beautiful and it's fun to explore the sprawling house with its creepy rooms and secret passages. Except now her mom wants to renovate, rather than sell the estate—which means

they're not going back to the city...or Seda's friends and school. As the days grow shorter, Seda is filled with dread. They're about to be cut off from the outside world, and she's not sure she can handle the solitude or the darkness it brings out in her.

Then a group of teens get stranded near the mansion during a blizzard. Seda has no choice but to offer them shelter, even though she knows danger lurks in the dilapidated mansion—and in herself. And as the snow continues to fall, what Seda fears most is about to become her reality...

His Reluctant Omega L. C. Davis
2017-01-28 Mitchell is an alpha among alphas in the brutal Mountain Ridge Pack. He rules with equal parts fear and respect, but his pack is growing restless after decades without an heir to his proverbial throne. Only an alpha and an omega pair can sire

another alpha to lead the pack, but Mitchell's not-so-secret shame is the fact that he hasn't been able to impregnate any of his female omegas. Unlike the other weaker packs, the Mountain Ridge wolves have always kept their omegas in line and at a safe distance through the infamous yet efficient Breeding Program. On the recommendation of an old rival turned tentative friend, Mitchell decides to try his hand--among other things--in a last-ditch effort at siring an heir with a rare male omega. When a transfer request for one of the only male omegas in the pack uncovers unspeakable abuse and corruption within the Breeding Program, the very future of the pack is thrown into question. - Angel's heart has turned to stone after a lifetime of abuse at the hands of the alpha shifters who oversee the Breeding Program in his pack unit. The only love he has left belongs to the three other omegas he shares his little corner

of hell with. Angel will do whatever it takes to protect them, even if it means becoming the mate of the top alpha himself. Angel knows better than to believe the gruff Mitchell when he claims that he's not like the others. Despite his best attempts to steel himself against the strange bond that forms between them, Angel discovers that Mitchell is the most dangerous alpha of all because he wants the one thing Angel has sworn never to give--his heart. With war looming on the horizon, a pack in chaos and two hardened hearts melted by an unlikely spark of love, only one outcome is certain. The Mountain Ridge Pack will never be the same. Disclaimer: See inside cover for content warnings. This is the second book in The Mountain Shifters series. Reading His Unclaimed Omega may provide context, but this book can be read as a standalone.
